

# PINES QUICKIE

NATURAL PINES RESORT

## OFF SEASON INFORMATION

We will have activities over the winter!

During the winter we will be offering some really fun events to help you get through those cold boring months. Planned events include glass etching, wine & canvas, wine & chocolate and cake decorating just to name a few.

Starting in November there will be a painting event....we call it Wine & Canvas, some call it Drink & Doodle. ☺ Whatever you want to call it, you don't have to drink wine, but it does make the art look better sometimes! ☺ During this event you'll follow the instructor's directions and in the end you'll have created a beautiful piece of artwork.

December and January we will be offering more painting events. Come to them all and create some original art for your walls. There will also be glass etching! Come enjoy creating your own set of beautiful glasses. Learn how to etch designs into the glass – great idea for gifts!
